The screenshot displays the IberDok application window. The main area shows a legal document titled "UPAD1ª Instancia nº1 (Vitoria)" for "L. Auzialdiko 1 ZULUP (Gasteiz)". The document includes a QR code, a red circular stamp, and various legal details such as the procedure number "0100213000280" and the subject "Responsabilidad cívica".

On the right side, there are two panels:

- Estructura documento:** A tree view showing the document's structure, including sections like "Exposición de hechos", "Exposición de alegaciones", "Cada", "Hechos", "Pro", "Código Penal", "Municipal", "Tribunal", "Fin", "Código Civil", and "SELLADO".
- Paginación del documento:** A panel showing the document's pagination, indicating it is page 1 of 3.

Arrows point from the labels "Estructura del documento" and "Paginación del documento" to their respective panels in the interface.
